Next Chapter Meeting on September 16, 2006

Each of us joined the Silicon Valley Chapter of the Sons of the American revolution (SVSAR) in order to recognize our fellow citizens, patriots and youth for their accomplishments, community service, and support for the SVSAR. It is by these acts that we affirm by example our faith in the Declaration of Independence, the Constitution, the Bill of Rights, an independent Supreme Court, and a nation of free citizens. Please join us for the sixth chapter meeting of 2006.

Time: 9:30 am (Breakfast at 9:00 am)
Date: September 16, 2006
Type: Chapter Meeting
Location: Bay Café and Deli (See Directions and Map at the SVSAR Website at the following website address listed below)

Recognition: Compatriot Charles A. Smart, SVSAR President, will present the NSSAR Bronze Color Guard Medal and Certificate to Compatriot Chris Palmer, SVSAR Color Guard Commander. Compatriot Chris will then present the NSSAR Bronze Color Guard Medals and Certificates to Compatriots Willis Clayton, John Kohli, Richard Knock, Jack Mallory and Don Miller, all of which are members of the SVSAR Color Guard.

Program Speaker: *“Last of the Mohicans? Not yet.”* Compatriot Charles Chicks, SVSAR Vice President, became interested in SAR after visiting the national headquarters in Louisville, Kentucky, in 2003. Based on previous genealogical research, he was able to document that William Robbins of North Carolina was a patriot ancestor. Later, Compatriot Charles documented that John Hackett of Rhode Island was also a patriot ancestor. In both cases, the Revolutionary War Pension Applications, which can be obtained from the

National Archives, provided valuable genealogical data. He suspects that there are 3 or 4 other patriot ancestors, which have not yet been documented.

Compatriot Charles has a Mohican ancestry, which will come out in the course of his presentation. In order to maintain the element of suspense, his Mohican ancestry will not be disclosed in this newsletter. His presentation will concentrate on the Mohican role in American wars, with an emphasis on the Revolutionary War. In the course of the presentation Compatriot Charles will provide some of his tribal history.

Anyone who enjoyed reading the epic novel "Last of the Mohicans" by James Fennimore Cooper, viewed the classical watercolors by N.C. Wyeth, three of which are reproduced below, or saw the 1992 movie "Last of the Mohicans" starring Daniel Day-Lewis, will find this to be a fascinating presentation.
