Next Chapter Meeting on December 9, 2006

Each of us joined the Silicon Valley Chapter of the Sons of the American revolution (SVSAR) in order to recognize our fellow citizens, patriots and youth for their accomplishments, community service, and support for the SVSAR. It is by these acts that we affirm by example our faith in the Declaration of Independence, the Constitution, the Bill of Rights, an independent Supreme Court, and a nation of free citizens. Please join us for the eighth chapter meeting of 2006.

Listed below is the article from the Milpitas Post dated May 31, 2006, which documents Officer Helen's life saving ac-

tion.

Officer Saves Infant's Life by Clearing Airway, CPR

Emergency dispatchers received a frantic 911 call May 15 at 11 a.m. on the 1000 block of Park View Drive in Milpitas, about an unconscious 8-month-old boy. When Milpitas Police Department Officer Joe Heylen arrived 90 seconds later, he heard frantic screams for help from the front porch of a neighbor's house. Officer Heylen quickly determined that the infant had a pulse but was not breathing. The baby's face was discolored, and his stomach was contracting as he struggled to take in air.

The officer used a combination of the "finger-sweep" and "back-blow" techniques to clear the child's airway of baby food. He then initiated a rescue-breathing procedure. Shortly, the infant, who was also suffering pneumonia, responded positively by making faint coughing sounds. The officer continued the procedure for more than two and a half minutes, until the arrival of paramedics from the Milpitas Fire Department, who took over the resuscitation effort.

An ambulance transported the infant to a nearby hospital for further examination. Doctors, later satisfied about the infant's progress, discharged him from the hospital. He is back home now and appears fine, according to police.

Heylen, 28, has been on Milpitas' police force for five years. The circumstances hit home for the officer, who has a 1-year-old daughter.

"After paramedics arrived, I replayed in my mind what had happened, which made me break down at the scene," Heylen said. "I'm happy I was able to do what I had to do and not freeze up."

THE UNITED VETERANS COUNCIL OF SANTA CLARA COUNTY'S 88TH ANNUAL VETERANS DAY PARADE

The United Veterans' Council of Santa Clara County's 88th
Annual Veterans Day Parade
Saturday, November 11th.

Each year since 1919, the United Veterans Council of Santa Clara County has conducted an Armistice Day Ceremony and produced a Veterans Day Parade with support from the City of San Jose and Santa Clara County. This year's Parade, the largest Veterans Day Parade in Northern California, honors all those who have served, and those continuing to serve their country.

Opening Ceremony begins at 11:00 AM at Plaza de Cesar Chavez on Market Street in downtown San Jose in honor of the 1918 Armistice of the "War to End All Wars". It will feature the World War I reenactment group "Welcome Home Doughboys" who will present the colors.

The **Grand Marshal** for this year's Parade is retired Air Force Lieutenant Colonel Frank Kappeler. Frank was the navigator on B-25 bomber aircraft number eleven, the "*Hari Carrier*," during Jimmy Doolittle's 1942 raid on Tokyo as the first response to the World War II attack on Pearl Harbor.

Parade Master of Ceremony will be "Officer Vic" from KSFO 560 AM Radio. Also featured in the Parade will be the **Giant American Flag**, sponsored by KSFO Radio.

The Parade steps off at 12:00 Noon in downtown San Jose from Delmas Street and travels east along Santa Clara to Market Street. The Parade then proceeds south on Market, passing the reviewing stand at Park Street, opposite Plaza de Cesar Chavez, and ends at San Carlos Street.
